

United Way Campaign

The world around us is changing, and I believe that we need United Way more than ever. The future requires that we must evolve to meet the growing needs of our community while honoring our founding principles. In 2020, we will continue our work ensuring Ozaukee residents have the basics like food, clothing and safe and stable housing.

While increasing cross-sector resources on challenging, complex issues such as improving the emotional and behavioral health among youth and adults.

United Way is working to raise \$360,000 to advance critical new programs that address issues related to homelessness, children's advocacy, and social and emotional health.

Heritage Society

Those employees, who donate a minimum of \$300 per year or \$6 per week, become members of the Heritage Society. Each year, the names of Heritage donors are publicized. Last year, over 300 leadership givers lead the way in helping their neighbors achieve a better tomorrow. Encourage your employees to be leadership givers.

Report Envelope and Report Form

There is a Report Form in the Campaign Folder. When your campaign comes to closure, please fill out the form and return the envelope and form to Jill Grimm at the Port Washington State Bank.

Please make an effort to fill out that form and return it before December 31st.

Virtual Campaigns

The card is free to all consumers, insured, and uninsured, and has an average cost savings of 42%. The Familywize prescription card functions like a reusable prescription discount coupon and does not require any personal information or eligibility criteria. For more information go to FamilyWize.org or contact Barbara Bates-Nelson to make this free perk available to your employees with no additional administration to your staff.

Homeless Prevention Fund

For some in our community, a medical emergency, loss of job or even unexpected car repair could cause a spiral into crisis. If you know of someone in your workforce who is at risk of losing their home, the Ozaukee County Homeless Prevention Program, funded by United Way of Northern Ozaukee, could help. To learn more about the program or to get a packet of material to share within your workforce, please contact Barbara Bates-Nelson at 248-613-7855 or uwno@sbcglobal.net.
