

1955

Sixty Five years ago - On September 13, 1950- The Community Chest of Port Washington was established.

This event marked the beginning of what we know today as United Way. Best known as the Community Chest from Monopoly fame, this movement was also known as the United Fund adopting the red feather as a symbol of service to the community and eventually renamed as the United Way of Northern Ozaukee. The United Way of Northern Ozaukee (UWNO) has come a long way since the 1950 Community Chest of Port Washington but our goals have remained constant. Many of our founders were business leaders of the community who shared a vision of financially supporting programs that provide health and social services to the citizens of Ozaukee County. Fulfilling the dream of its early founders is still the mission of UWNO.

During this past year, our community has united to face important issues and create new opportunities. The United Way is proud to be an engaged partner in these efforts. Thanks to your help, more children are reaching academic success and learning life skills that will help them become better citizens. Families and individuals who were teetering on the financial edge are getting a hand up with tools and resources to ensure a more stable financial future, and more people are living healthier lifestyles.

As we approach our 65th year in the community, your local United Way is moving forward with a renewed commitment to mobilize our community and help as many people as possible live a better life. We invite you to join us and be part of the movement. Together we can give back to our communities, advocate for causes we believe in, and volunteer our time and talents to improve the quality of life in Ozaukee County.

On behalf of our board and our Honorary Co-Chairs, Ruth Lansing and Warren Stumpe, we thank you for your support and trust.

Barbara Bates-Nelson
Executive Director

The UWNO Board would like to take this opportunity to thank the group of people pictured above. They are representatives of our 16 Partner Agencies.

With the support of our generous United Way contributors, 23,939 people participated in their programs last year.

Again, our thanks go out to our Agencies and our contributors for their service to Ozaukee County.

Gratefully,

The UWNO Board
