## WHAT WE CAN DO TOGETHER

Together we supported Jane to rise above the adversity and traumatic stress of her dysfunctional family with the help of Ozaukee Family Services Counseling. She was empowered to heal by building resiliency to battle depression and anxiety.

**You helped Jane learn coping skills, excel at school, and find her career path in nursing!**

After an unexpected car accident left him unable to work, Kyle fell behind on his rent. Advocates Homeless Prevention allowed him the time to heal and avoid the trauma of him and his family from becoming homeless.

**Together, we created financial stability for Kyle through rental assistance.**

Together we empowered Olga and through tutoring with the Adult Literacy Center we gave her the skills and confidence to advocate for her daughter's academic and medical needs.

**Your donation helped Olga get a higher education and achieve a promising career!**

Harold, a homebound senior was a victim of a phone scammer posing as an IRS agent. Because of your support, Interfaith Caregivers recognized the scam and saved the client \$60,000.

**Together we provided a lifeline to maintain Harold's independence and life-savings.**

## WE ARE UNITED FOR ALICE

We remain committed to creating awareness of financial hardship in Ozaukee County through our comprehensive ALICE Project (**ASSET LIMITED, INCOME CONSTRAINED, EMPLOYED**). We are highlighting the challenges members of our community face to inspire action and generate innovative solutions that promote financial stability. With 28% of our population in financial peril, we will advocate for improving access to affordable housing, high quality child care, education, and workforce training, and more.

## WE NEED YOUR SUPPORT TO CONTINUE:

Preventing homelessness and food insecurity supporting those impacted by violence, abuse, and neglect.

Closing gaps in service delivery through our Community Services Navigator Program.

Increasing our fundraising capacity and leveraging strategic partnerships to respond to the growing needs.

Building a stronger network of volunteers to allow area nonprofits to expand their work.
